To reduce the risk of COVID-19 spreading, there are things that everyone in your family can do to help. These include:

- washing hands with soap and water often – do this for at least 20 seconds
- using hand sanitiser gel if soap and water are not available
- washing hands as soon as they get home
- covering their mouth and nose with a tissue or sleeve (not their hands) when they cough or sneeze
- putting used tissues in the bin immediately and washing hands afterwards

The COVID-19 online symptom checker can tell you if you need medical help and advise you what to do <https://gov.wales/check-if-you-need-coronavirus-medical-help>

As a result of the above, we will not be able to provide school lunches for the next 2 weeks. We will restart offering lunch at the school from Monday the 12th October. Pupils will need to bring a packed lunch with them to school every day until then. Parents of pupils who are eligible for free school meals have been sent an e-mail explaining how you can order a packed lunch for your child over the next fortnight.

Yours sincerely,

Simon Davies
