Dear Parent or Carer,

Re: Contact of confirmed case of COVID-19 on bus route 632B for Ysgol Gyfun Gymraeg Bryn Tawe

NHS Wales Test, Trace, Protect trace everyone who have been in contact with a person who has tested positive for COVID-19 (Coronavirus).

Your child has been identified as a **contact of a confirmed case of COVID-19** and will now need to **self-isolate for 14 days from 7th October**. By identifying contacts (**all pupils who have travelled on the 632B this week or last week on Wednesday 30/09; Thursday 01/10; Friday 02/10**) and asking them to self-isolate for 14 days, we will reduce the possible spread of COVID-19 from those contacts to their family, friends and the wider community.

Self-isolation advice **requires your child to stay at home**, not to go outdoors to exercise, to visit shops, family or friends, or to other public spaces. Please do not invite people to your house. Further information on self-isolation can be found in the link at the bottom of this letter.

If your child remains well then the other members of the household do not need to isolate and can continue with their normal activities. If your child is still well at the end of the 14-day period of self-isolation, they can return to **Ysgol Gyfun Gymraeg Bryn Tawe** and their other usual activities on **22nd October 2020**.

This 14-day period of self-isolation cannot be reduced by having a test. A test is only for people who develop symptoms of COVID-19.

To reduce the risk of COVID-19 spreading, there are things that everyone in your family can do to help. These include:

- washing hands with soap and water often – do this for at least 20 seconds
- using hand sanitiser gel if soap and water are not available
- washing hands as soon as they get home
- covering their mouth and nose with a tissue or sleeve (not their hands) when they cough or sneeze
- putting used tissues in the bin immediately and washing hands afterwards

Please be **alert for symptoms of COVID-19 in your child**, which are:

- A new or continuous cough
- A high temperature
