Dear Parent or Carer,

Re: Information regarding a confirmed case of coronavirus in year 10 at Ysgol Gyfun Gymraeg Bryn Tawe

NHS Wales Test, Trace, Protect has been informed of a confirmed case of COVID-19 (Coronavirus) in year 10 in Ysgol Gyfun Gymraeg Bryn Tawe.

Ysgol Gyfun Gymraeg Bryn Tawe remains open. It is working closely with Public Health Wales, the Local Authority and NHS Wales Test, Trace and Protect to ensure that all the appropriate measures are in place to protect students, staff and the wider community. This letter is to inform you of the current situation and to provide advice on how to support your child.

All close contacts of the case have been identified and have received appropriate advice to self-isolate (including all Bryn Tawe pupils who are in year 10 only). With the exception of individuals who have been contacted by the TTP team, **all pupils in years 8, 8, 12 and 13 have not been identified as a close contact and therefore do not need to self-isolate and do not require testing for COVID-19. All pupils who qualify for school transport can continue to travel on their allocated school bus.** They can continue to attend Ysgol Gyfun Gymraeg Bryn Tawe, as usual.

Pupils in years 7 and 11 as well as some pupils who travel on the 639 bus are already self-isolating. For clarity, see the table below which highlights when pupils in different bubbles can return to school:

Bubble / Contact Group	Self-isolating from:	Return to school on:
639 Bus (pupils in years 8, 9, 12 and 13)	18/11/20	03/12/20 (letter here)
Year 11 pupils	20/11/20	07/12/20 (letter here)
Year 7 pupils	24/11/20	09/12/20 (letter here)
Year 10 pupils	27/11/20	14/12/20 (letter here)

However, as a precaution, please be alert for any symptoms of COVID-19:

- Your child should self-isolate for 10 days from when their symptoms started

To reduce the risk of COVID-19 spreading, there are things that everyone in your family can do to help. These include:

- washing hands with soap and water often – do this for at least 20 seconds
- using hand sanitiser gel if soap and water are not available
- washing hands as soon as they get home
- covering their mouth and nose with a tissue or sleeve (not their hands) when they cough or sneeze
- putting used tissues in the bin immediately and washing hands afterwards
