

12.1.22

Dear Parent / Guardian,

We would like to present to you the timetable for the upcoming Yr.12 and Yr.13 mock examinations which will begin on **January 24th**. In partnership with Ysgol Gyfun Gŵyr, we have decided to conduct mock examinations this year, which will be similar to the external examination process during the Summer. The examinations will provide our students with the opportunity to familiarise themselves with the process, and enable learners to experiment with revision strategies and techniques. The students have already received a presentation on effective revision strategies and the Sixth Form team will continue to focus on such aspects over the coming weeks.

Here are some important messages regarding the examination period:

- There will be **no lessons for 6th Form students between 24th-28th of January** and Yr.12 / 13 students will be allowed to revise at home during non-exam periods.
- There will be **no travelling between Bryn Tawe / Gŵyr during the week** (However, some lessons will continue at Gŵyr and therefore Bryn Tawe pupils will be able to join via TEAMS should they wish to do so. Teachers at Ysgol Gyfun Gŵyr will contact students if a lesson is arranged).
- If students are taught on the Gŵyr campus at any time, they will sit the mock exams with us at Bryn Tawe - we will receive copies of the papers from Ysgol Gyfun Gŵyr.
- If there is a clash on the timetable, students will need to contact either Mr Ben Davies, Miss Catrin Lyall or Mrs Rhian Edwards-Jones so that we can make alternative arrangements for these learners.

We very much hope that this will be a positive experience for the students and one that will develop their confidence in readiness for the summer external examinations. It is therefore important that students prepare accordingly and view this period as an opportunity to demonstrate their learning and to receive feedback in order to develop further.

Furthermore, it should be noted that Qualifications Wales and the WJEC have provided guidance to schools regarding contingency arrangements **should** examinations be cancelled. **If** schools are instructed to provide Centre Determined Grades for their students as a result of missing an examination due to absences relating from the pandemic, mock examinations will provide a strong and sound evidence basis of students' learning and performance.

Should you have any further questions, please do not hesitate to contact us at the school.

Yours sincerely,

Rhian Edwards-Jones (Assistant Head / Acting Deputy Head)
