

10.1.23

Dear Parent / Guardian,

Please find enclosed a draft of the Yr.12 and Yr.13 mock examination timetable which will begin on January 23<sup>rd</sup>. There may be minor modifications to this version and we will contact you if there are any changes. We have decided to conduct a period of mock examinations again this year in order to assess the pupils' progress thus far and to give our students the opportunity to familiarise themselves with exam arrangements again and to use revision strategies. Not all subjects are setting an exam for various reasons e.g. the nature of assessment within the qualification or in some cases that assessments have already been set in the Autumn term etc.

Please see further information in relation to the mock examination period:

- The students' main priority during the week will be the examinations.
- Students will have the right to revise at home on the day before any examination.
- Travelling between Bryn Tawe/Gŵyr will continue during the week for those pupils who do not have examinations.
- We have agreed as a Partnership that no new information will be presented in lessons during that week and therefore no student should worry about missing lessons either in Bryn Tawe or at Gŵyr. Only revision of previous learning will take place in the lessons during this period.
- If there is a clash between the examination times of some students, please ask them to come and see either Mr Ben Davies, Miss Catrin Lyall or Mrs Rhian Edwards-Jones so that we can make relevant arrangements for learners affected by this.

We hope that the week will be a positive experience for the students and will develop their confidence for the external examinations in the Summer. It is therefore important that the students prepare and see this period as an opportunity to demonstrate their learning and to receive feedback in order to improve their performance.

Should you have any further questions, please feel free to contact us at the school.

Yours sincerely,

*Rhian Edwards-Jones* (Deputy Head)
