

21st November

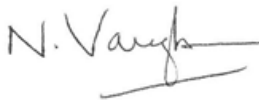

Dear Parent/Guardian,

As part of the school's efforts to develop literacy and numeracy skills, we would like to invite parents of all learners **(in years 7 to 8)** to a parents' evening. The evening will focus on how the home and school partnership can support all learners in reaching their potential. The evening will include a consideration of:

- The school's strategies in improving literacy and numeracy skills
- How the school offers additional support for learners in developing literacy and numeracy skills?
- The support offered by the Access to Learning department, with input by the ALNCos, Mrs Bethan Williams and Mrs Angharad Stephens
- Resources for parents in supporting the literacy and numeracy skills of learners

The evening will take place on Wednesday evening, 30th November between 5 and 6pm.

We sincerely hope that you will be able to attend the evening as we aim to support all learners in reaching their potential.

Mrs Nerys Vaughan (Assistant Headteacher)
