Dear parent/carer

We are doing some research for Welsh Government to help understand how parents/carers find and use different information to help them support their child's/children's education (e.g. thinking about starting a new school).

We are conducting online focus groups and interviews and would like to speak to **parents** and **carers** from your area. If selected to take part, participants will receive £40 for attending a focus group online or £30 for taking part in a one-on-one interview online/over the phone.

If you are interested, then please complete the short online form using the following link to register and confirm whether you qualify:

If you have any questions, please feel free to contact Ms Elin Jones, Research Executive on 02921 677495 or visit [www.strategic-research.co.uk](http://www.strategic-research.co.uk).

Kind regards,

Mrs Emma Howells (Assistant Headteacher)
